POPE RALLY

A special student celebration.

It was a beautiful sunny day in September. The Gerard football stadium was filled with happy youngsters swinging, swaying and clapping to the groovy sounds of "Peace Train" and "Heart and Soul." Students and faculty, with their special balloons in hand formed a semi-circle and when the cue was given, they released their balloons into the beautiful blue sky above. What was the cause for this celebration? Why, the visit of Pope John Paul II on September 14, 1987? Well, because it will be the Popes' first visit to Arizona, and the Gerard family welcomed him with a special afternoon of gathering with friends listening to inspiring music and reflecting on our faith with the sending off of hundreds of red balloons. The highlight of the day was of course enjoying a refreshing "Popesicle." This event and the Pope's visit to Arizona are special memories to people of all faiths to carry with them.

The Liturgy Class is a special class offered to Juniors. The class, taught by Fr. Enright and assisted by Mr. Rudzinski and Paul Hilldebrand, focuses on the Liturgical celebration of the Mass. The class put on several masses during the year. Members of the class were involved in every aspect of the celebration. Into each mass goes extensive planning- they must choose the various readings, songs and decorations. They must not only choose their plans but carry them out as well in order to set a successful atmosphere for the celebration of our Lord. Students led processions, served as lectors and altar boys and sang in the choir.

The Walk-a-thon winners finally reach their destination but . . .

. . . they had a long bus ride first!

Upon entering the "land of make-believe", the seniors stop to pose in front of Mickey.

Next, the pack makes their way down Main Street, perhaps for some window shopping?

After many hours of stomping the pavement between "heart-stopping" rollercoasters and other various rides, the group was just plain tired out and decided to sit down for awhile and enjoy a delicious meal. Not to mention the fabulous ice cream sundaes to follow!

The senior class triumphed in the walk-a-thon pledges competition this year. Mr. Helsel's homeroom brought in the most money overall and in doing so, won themselves a trip to Disneyland. The seniors were ecstatic to, once again, demonstrate their authority on campus!

The seniors entered the Magical Kingdom on Saturday, March 26, only to find themselves not only greeted by Mickey, but also some of their fellow classmates who flew out to join them. It was a funfilled day for all and we wouldn't mind doing it again . . . soon!

It looks like the chipmunk got the upperhand over Maria and Bernie!

HOMECOMING 1987-LOST IN PARADISE

The stands were filled, fireworks filled the skies, royalty was crowned and a fabulous time was had by all who attended the homecoming festivities celebrating the start of Gerard's 26th year.

Although Gerard lost the game to Buckeye, many of those in attendance, approximately 350 people, were impressed with the disciplined spirited, and hard-hitting effort given by our redcoats.

This year, Julie Olinger was the chairperson of all the homecoming activities, and with help from Jeff Berta (chairman of the dance), Mrs. Nancy Contadino (The alumni director), Ms. Pamela Nask (who coordinated all of the activities during lunch during homecoming week) and all those other students, faculty and parents, homecoming 1987 was a huge success.

Amidst halftime fireworks, Jim Duginski and Maria Guaderrama were crowned King and Queen. Their attendants were Colleen Haugen, Diane Jazwin, Elise Reznick, Kelly Reuba, Jeff Berta, Bill Dowling, Joe Rutila, and Mike Yohler.

After the exciting though disappointing game, the dance that followed was a tremendous success. It wrapped up a very enjoyable evening.

SPIRIT WEEK '87

Fun and Frolic

Student Council provided a much needed break for the students and faculty by sponsoring a spirit week. It was a week of creative dressing and various lunchtime contests meant to unite the school and to welcome the freshmen. Senior were assigned freshmen to be their special buddies and they had to bring the seniors candy and wear signs that proclaimed their love for their seniors. At the end of the week, on Friday, there was a half-day of classes and a pizza lunch for the seniors and freshmen to share. Following lunch students engaged in activities such as volleyball, water-balloon toss, and tug-o-war and then everyone rallied for the football game that evening. At the pep rally the winner of the most spirit dress and activity points was the Freshman class, who received $250 for their class treasury. The week was topped off by the Welcome Back Dance where students could funky and frolic with their friends. To say the least, the week was terrifically tremendous success.

Coach Lou Emmanuel, Head Coach Matt Conte and Coach Lou Mallett.

This year's Varsity Football team exhibited strength and skill while competing in the Class A West League. Beginning the season with a brand new Coaching Staff, headed by Coach Matt Conte, the Redcoats had to adjust to the new program.

Despite the Redcoats 1-9 finish, the team showed much progress from game to game. The Redcoats displayed their true talent in a 35-0 thrashing over Judson High. Highlights of the victory game included senior Bob Kennedy scoring two touchdowns as well as seniors Jim Duginski and Brian Stoner and junior Bill Rogers scoring one apiece. Randy Sejba was perfect on all five point after attempts. The entire defensive squad showed great strength by shutting down Judson's offensive strategy.

The season was filled with fun and excitement not only for the players, but for the faithful Redcoat fans. Quarterback Brian Stoner and Defensive Back Jim Duginski led the Redcoats as the Co-Captains for the team. Senior Bernie Dalton led the team in receptions and yardage at the position wide receiver.

The Redcoats have a bright and promising future with many letter winners returning and an outstanding J.V. team coming up. The 1987-88 football memories will linger in our hearts forever because of these dedicated young men who gave it their all.

The J.V. Football team completed its season with a 6-1-1 record, outscoring its opponent 182-59. Leading scorer for the team was Lee Ferrance accounting for sixty points. He also led the team in receptions with sixteen catches for 301 years. Other offensive leaders were Travis Ziegler and Bobby Dalton. Defensively, the team's leading tackler was Tim Cocchia with 46, followed by Paul Martin and Ted Opalinski with 38 each.

Other valuable team members were Gerard Valles, Troy Mallett, Ted Cotton, Mike Wicka, Alex May, Ted Slivinski, Alex May, Matt Lampe, Kevin TenEyck, Mark Sheridan, Ray Grace, Chuck Duginski and Dan Iafrate and John Lowry. These young men did an outstanding job this year and will make next years team even stronger.

The Team- Burghard Beasley, Dan Hawrylikiw, Roman Navvarro, Coach Threlkeld.

This year's Cross Country team was small but strong and determined. The team consisted of only three runners for most of the year, but they represented Gerard with unbelievable pride, spirit, and skill especially at the State Tournament. Junior Roman Navarro led the team by placing one-hundred seventh in the 180 Man Run. Juniors Burghard Beasley and Dan Hawrylikiw also went to State. Members who ran for part of their year were Tom Nabity, Gerardo Valles, and Gunar Schinzel. Coach Threlkeld is looking forward to improving next year with three returning excellent seniors. The "88" Gerard Golf team overcame much adversity over the past season to produce one of the better finishes in recent years. The year did not start well with Coach Jim Miller's heart attack early in the season. However, the team pulled together and played it's hardest in preparation for Divisionals. Under Coach Miller's guidance and Eddie Villareal's best round ever the Redcoats finished 2nd -two strokes off first. Ron Fett was this year's Most Valuable Golfer followed closely by Ted Slivinski.

Although the 1988 Lady Redcoats did not lead the league in the win and loss column, it was still number 1 in spirit and sportsmanship. The team ended up with four wins and nine losses. Although the team did not have a very prosperous season, they never gave up and still were very competitive. The team was led by captain Colleen Haugen and co-captains Diane Briehl and Julie Hughes. These girls always worked together to try and keep everyone's attitudes positive. The team's coach Kelly Jacobs, was very good and experienced volleyball player herself. She was a very big help and was very supportive with all the girls. She never gave up and kept our spirits high. She quotes "When looking at the 1988 V-ball season the idea was to acknowledge individual performance not our overall record.

The ref gasps in awe at Kristi's talent.

This year's 1987-'88 junior varsity volleyball team, according to Colleen Haugen, "did quite well in their season" and "even held the potential to be #1 caliber." As for their season record, we only know that they had a 6-6 record mid-season. The remainder of the record is unknown due to the fact that no one agreed to write this article. Therefore, please forgive the improvisions made. By the way, we're sorry but we didn't receive any information on the freshmen team.

The Gerard Varsity Basketball Team in the 1987-'88 season came to an abrupt but happy end. The final record for the team was 12-10 overall. The coaching staff included head coach Pete LaGrego and first time coaches Lou Emmanuel and Kevin Maloney. They really did a great job and took the team a long way. As for the players, we had six seniors and seven juniors. The seniors were: Jeff Berta, Dave Ference, Kurt Hofleit, Brian Stoner, Matt Tripani, and Mike Yohler. The seniors put in a great year and the basketball program will surely miss them. However, there will still be some fine returnees next year. They are: Steve Beaver, Kevin Chlarson, Chuck Fitzner, Brent Lyon. Tony Milicivec, Jim Trujillo, and Jack Yohler. These guys are a great group and we look forward to seeing them in action next season.

I believe this season was a fine building year to get settled in a new league and see how things operate. Next year should be better than ever! Also this year, Mike Yohler made the All-Conference 1st Team and Honorable Mention All-State along with Jeff Berta making the 1st Team All-Conference, and Jack Yohler for Honorable Mention.

The Vr. Basketball Team would like to give the parents, coaches, and fans a special thanks for being at all the games and supporting us throughout the season. You really made the difference.

The team received strong performances from Andy Kelley, Ted Opalinski, Lee Ferrance, Bob Dalton, and Troy Mallett. The guys had an outstanding year, but ran into some problems toward the end of the season. The Gerard Varsity Team will look forward to see these young stars venture up through the years and perform their valuable jobs on the team. We, as a team, would like to give special thanks and appreciation to the following individuals and organizations for all their help and contributions to the team throughout the season. We thank Ms. Nask and Student Council for a loan and for all the artwork she did for us. We would also like to thank Coach Conte and the Parents Club for their help and support.

Sepulveda, Nabity win for Gerard

Marcus Sepulveda and Tom Nabity triumphed, but the rest of the Gerard High wrestling team was defeated as the Redcoats bowed to powerful Payson 57-12 Wednesday night.

Sepulveda pinned his 126-pound opponent in 1 minute, 29 seconds, his fifth pin and sixth victory of the season. Nabity, at 132 pounds, scored a technical fall when he was leading 20-5 in the third period.

Gerard Coach Rob Helsel also lauded the efforts of Dan Iafrate, Bill Rogers, Gunnar Schinzel and Chuck Duginski, who lost tough matches.

Gerard wrestlers bop Buckeye

The Gerard High wrestling team won its second straight match and improved its record to 3-2 with a 42-27 victory over Buckeye Wednesday night.

Ross Sewell won his 140-pound match by scoring a technical pin, while Tom Nabity won by default after building a 10-5 lead at 134 pounds. Other winners for the Redcoats included Marcus Sepulveda and Tim Donovan who both triumphed by forfeit.

A very special thanks to our wonderful Mat maids for all their support. Also, a special thanks to Mrs. Schinzel and Coach Mallett for their support and friendship.

The 1988 Varsity Baseball Team had a huge success this year with a 21-4 overall record, and 14-3 in conference to clinch a division championship. That has not been done for eight years at Gerard. This year's staff was headed by Mr. Lou Mallett and assistant coach Pete LaGrego. The players on the championship team were -Seniors: Glen Sharko (P-DH, Captain), Jeff Berta (P-OF, Captain), Joe Rutila (C, Captain), Matt Olinger (P), Carlos Lopez (2nd Base), Paul Civitano (3rd Base), Kurt Hofleit (OF), and Bill Dowling (1st Base.) The rest of the team consisted of Juniors: Gerard Sharko (SS), Dave Wolfmeyer (OF), Tom Nabity (OF), Brent Lyon (2nd Base), Dave Karber (OF), and Greg Geenen (OF.) 8 of the team's 14 players will graduate this year, but the Juniors will have an outstanding '89 season.

At the end of each season a group of selected coaches organize and select the most outstanding players in the division and then they break it down to the best in the state. Congratulations to the following: Jeff Berta-All-Conference (Pitcher), Kurt Hofleit-All-Conference (Outfield), Joe Rutila-All-conference (Catcher), Glen Sharko-Honorable Mention (Pitcher), Gerard Sharko-Honorable Mention (Shortstop), and Carlos Lopez-Honorable Mention (2nd Base.) Jeff Berta was also selected to play on the 1988 Arizona, class A,B,C, All-Star Game and made the 1st team All-State.

BLEACHER BUMS

Rowdy!

This year a new student group was formed to support the baseball team. Under the dynamic direction of coach Lou Emmanuel, the Bleacher Bums, cheered the team to many victories with their enthusiastic chants of "Go Team!" Some favorite cheers and spirit slogans of the bums: 'K', 'Swish', 'Boot', 'Flex', 'Go Big Red', and 'Come on Redcoats!'

This year the team was young, but they gave it their all. The team was led with the experience of a new coach, Mrs. Tammy Bullinton and Assistant coach, Ms. Walsh. The team began with fifteen players but ended up with only nine. There were no seniors on the team, but that only means that next year the team will be much stronger and everyone will get a lot more of quality playing time. Although they had a losing season in games won, they pulled together as a team and came out winners.

PLANTING THE SEEDS

Gerard Track Coach Mary Shinzel Talks About the Rebirth of Redcoat Track

Running faster, jumping higher and longer, and throwing farther. That is the way to describe the 1987-'88 Gerard track and field team. This year saw the biggest, most successful team Gerard has had in several years. Redcoat tracksters took more places and scored more points than this reporter has seen them do in his four years on track. Two team members, Ari Tipton and Tim Donovan made it as far as the finals of the single A division track championships.

Coach Mary Schinzel said, "All in all we had a very successful season and a good starting year. This was basically a start, because the track program had floundered." Last year, the team consisted of about seven boys. This year, there was a large number of boys and girls, but the team was still comparatively small. "We had enough kids out there that we could attend meets and fill most of our events." Although coach Schinzel was happy about this, she also added, "we want track to be a sport here and it's going to take the effort of many people, not just a few."

"We have a long ways to go, but at this point, we can see our own potential." This year's team had more talent than Gerard has seen in several years. Talent, that if trained and refined, could form the foundation for future winning teams. "We can see that a year or three down the road, we can be threatening other schools."

"We improved our facilities to the point that we can invite others to come to Gerard." Gerard hosted three home meets this year. The first since 1985. A lot of help with running the meets came from students and some parents, some of whom had never been involved with track before.

A high percentage of the team were new to track. "The greatest, the funnest part was watching people that had never participated before get a concept of their ability and work to improve and get really excited about what they could do in track. That's what it's going to take to get a track program started. On the flip side, I'd like to see more dedication and discipline on the part of the athletes and more students out there participating."

It was a good season for the team, but the work is far from over. "In terms of planting the seeds, we've done that and now it's up to all of us to make them grow."

POWDERPUFF '88

Football takes on a whole new meaning!

We're always psyched "before" the game!

A huddle to plan strategy.

Powderpuff took a new turn this year. Instead of having the annual Senior-Sophomore v.s. Junior-Freshmen game, a match-up against "that other school on the West-side" was organized for Nov. 20th. I guess their name was Bourgade.

The girls and coaches practiced well into the days to prepare for the much awaited confrontation and before they knew it, the day had arrived. As usual, the game was intense, maybe even more so! Both teams lined up with the notion to get their hands on their "bloody prey"—even though it was supposedly just flag football. But Hey Now, who plays by the rules anyways!!!!

The game was well into the 4th quarter before Bourgade caught a "Hail Mary Pass" and somehow managed to get by our vicious defensive line to score. And so you see, the rest is history to go down in the books . . . at least this one! But . . . ALL was not lost. The girls had fun and I'm sure the coaches thoroughly enjoyed putting up with the team!—and who could forget that chance to have an excuse to knock down a few bodies in the way! (They don't call us rivals for nothing!)

This year was something different for the pom and cheer lines. They were brought together as one and were called a "spirit line." It consisted of having the one line dancing and cheering. They were behind all the teams throughout the year- even during the hard times. With Mrs. Mary Schinzel as the coach, the Spirit Line worked hard on routines and devoted early morning time during the summer to practice for camp, where they learned routines and cheers. They brought spirit all over by cheering, making posters and special things for the teams.

Susie Sarchione and Stacy Standage, the co-captains of the varsity line, showed great leadership and patience. While Tammy Langer, captain of the J.V. line, did the same and the line showed great promise for the future. All together, the new experience was a great success and it showed in the Spirit Line's hard work.

SPRING SPIRIT WEEK '88

Since the students responded so positively to the first spirit week, Student Council planned another week of fun and frolic in the spring. This week had many creative dress-up days as well as lunchtime games. Dress-up days included Red, gray and white day, Cartoon day, Psychedelic 60's day, Clash day, and Shorts could be worn on Friday. Shorts were necessary and comfortable for the half-day of events planned. A plethora of pizza was provided for the entire studentbody and faculty and then it was time for the games to begin. The classes alternated between playing exciting matches of intense volleyball and earthball. Points were calculated throughout the week and were received for attending the Spring Fling Dance on Friday night. The overall winner that received funds for their class treasury was the Sophomores. Way to go Redcoats!!

Elise and Kelly's Nightmare!

"Hey now," do I see a "happy" worker?!

(L. to R.) Luvia Valles-Editor-in-Training; Elise Reznick-Chief Editor; Julie Olinger-Co-Editor; and Kelly Reuba-Co-Editor.

O.K. so maybe we ARE crazy! Yes, we decided to be Yearbook editors once again . . . only to find ourselves backed into another dark corner containing a plethora of stress! I guess we figured we had to subject ourselves to such torture and grueling work, because who else would? So you see, together with our "few" dedicated Redcoats we braved those tough times and produced a MASTERPIECE . . . and if you don't agree, well . . . who asked YOU anyway! Do you think YOU could do any better? We didn't think so!

Anyways a special thanks goes to Mr. Helsel, our moderator, whom we are sure will agree that we all got on each other's nerves now and then! Also: Colleen Haugen, Maria Guaderrama, Bill Rogers, and Ari Tipton: all great workers. And last but definitely not least: Jeff Berta who proved to be our saving grace when we were backed up with a pile of work!

Well, thanks again for the memories Gerard. I'm sure this experience will not be forgotten!

-Elise Reznick

P.S.- We've definitely have decided not to come back and do this again next year. Sorry, you're on your own! GOOD LUCK! . . . You'll need it!

WE DID IT!

This year student council sponsored two successful blood drives—one in the fall and one in the spring. A total of one-hundred and sixty five volunteers gave their time and donated blood to help those in need. Students and faculty, seventeen or older signed up to donate the "Fluid of Life" and express their Redcoat generosity. Giving blood is not as painful and agonizing as some people make it out to be. Just as Julie Olinger or Amy Thompson! Most everyone made it through without any complications and were rewarded with the satisfaction of saving lives and juice and cookies. Student Council wishes to thank all those who participated in the drive and a very special thank you goes to Senior Jim Duginski who was the enthusiastic chairman of both blood drives.

CLASS OFFICERS:

Create a path for students to follow!

"Good morning teachers and students. Please stand and give a hand for your 1987-'88 student council!" The student council did a fantastic job of representing their school and respective classes. They organized numerous social events for the students as well as charitable events. The Executive Board of Student Council had many fine leaders to guide the rest of the council. Students who put a tremendous amount of time and effort into serving their school were Student Body President-Elise Reznick and Student Body Vice-President-Kelly Reuba. Not only did they keep the rest of the team under control but they greeted us every (well, almost) morning on the daily announcements. Assisting them on the executive level were: Julie Olinger, Carey Sanders, and Julie Hughes.

The Executive Board in conjunction with the class officers organized many great delights for the students and faculty of Gerard. Together they orchestrated a beautiful Homecoming, two fun-filled spirit weeks, many cool dances that provided students the opportunity to not only dance and chat with their friends but also enjoy free munchies. These students also distributed the Walk-a-thon money and planned 2 successful Blood Drives. The council certainly couldn't have accomplished all this without the endless help of their moderator-Miss Penny Nask. She assisted the council from preparing meeting agendas to designing creative advertising posters. Miss Nask, with her super organizing skills, was an enthusiastic and inspiring moderator.

As you can see, the student council of Gerard had an extremely outstanding year!

SPANISH CLUB

The Spanish Club was a new club on campus this year founded by moderator, Mrs. Berges. These students sponsored an orphan in Mexico, hosted a car wash, and ended the year with a delicious dinner at Garcias. Some members also went up to Yarnell to visit Los Hermaños Pequeños. They spent the day playing with and watching the Mexican children sing and dance. The Spanish Club is a good way to learn about another culture.

SCIENCE CLUB

Another new club on campus was the Science Club founded by Mrs. Mazier. These budding young scientists gathered together to increase their awareness of the environment. One of the highlights of the year was a trip to the Phoenix Zoo to study animal behavior. Fun was had as well as learning.

Trying to get extra credit by washing Mr. Hollar's car are we?

There was a new club on campus this year deemed the Varsity Club. It was composed of fine young men and women who had earned a Varsity Letter for sports or pom and cheer. This select group proudly displayed their true Redcoat qualities at many school functions. These students acted as guides for Parent-Teacher nights and 8th grade days, promoted the school to Valley youngsters, and ushered at sporting events. Varsity Club members could be spotted wearing their Letter-jackets adorned with pins of recognition or wearing their special Varsity-Club T-shirts. With the guidance of Coach Conte, this year's club proved to be a bold sign of Gerard's new spirit and success!

DRAMA

DRAMA was offered as a class this year at Gerard and was taught by Mr. Foxwell. They put on an excellent production March 9 and 10 titled, "Selections from The Good Doctor". Members of the class performed six different selections from "The Good Doctor." The prescription was laughter- to be taken any time of the day and the audience certainly agreed as they applauded the students' outstanding performances. Those members of the class who didn't act in the actual play were very busy with their behind-the-scenes work-building the sets, collecting props, promoting the play, and working on the lighting. Mr. Martin Foxwell was the director of the production and Ms. Penny Nask was the technical director. They did a spectacular job of dedicating themselves to the theatre.

"La Bella Durmiente"

Kings and Queens gather.

The fourth year Spanish class, with a little help from third year, put on the production of "La Bella Durmiente", otherwise known to us gringos as Sleeping Beauty. The estudiantes spent many hours practicing for the big day when they performed it to other classes during the day. Directing this comedy/drama was Mrs. Berges and the cast was as follows: Narrator- Carey Sanders, Rey Esteban- Jeff Berta, Reina Maria- Diane Jazwin, Rey Humberto- Chuck Fitzner, Reina Catarina- Dina Ponzeline, Alegria- Julie Olinger, Fauna- Tiffany Gulinson, Flora- Jenny Maney, Primavera- Diane Briehl, Malefica- Kelly Reuba, Principe Felipe- David Sanchez, and Rosa Silvestre (La Princesa Aurora-La Bella Durmiente)- Elise Reznick. These students portrayed the wonderful tale of a young man and a young woman who unexpectedly meet and fall in love and, of course, live happily ever after.

Boys State

The first question that is probably entering your mind when you read this article in your annual is, "What is Boys State?" Well don't worry, you are not the first person to ask that question. When I was asked to attend Boys State, the first thing that entered my mind was a group of 500 or so over-achieving junior boys wearing cardigan sweaters and playing chess. This didn't appeal to me, but with some coaxing from Father John Shea, I decided to go. When I got there I found that wasn't true at all. What I found was a group of intellectual demagogues looking for some fun . . . and so it began.

The American Legion runs this seminar and hopes to accomplish an accurate interpretation of the Arizona government. All boys are put into cities. Each city is in a county and of course the counties make up Boys State. Each city and county has its elected officials such as mayor or county sheriff. They make up their own rules for each and are enforced by police. In addition to this, each boy is given a party to be in. Each party will elect people to be in state elections for governor and such. They hold primaries, have debates, and have state elections. The process is exactly like Arizona's, right down to the hole punch voting.

Now that I have been through Boys State, I am really glad that I did. I learned a lot about government and voting. I really don't know how a person could learn as much as I did about the government if they don't attend Boys State. I guess I got to do something most people don't.

Girls State

If anything should be said about Girls State, it should be that it's a great misconception. Everybody has the idea that it's all work and no play, when it's really not like that. I thoroughly enjoyed my week there. It was a real growing experience, meeting new people, making new friends, and most importantly learning about our state government. If I were given the chance, I would love to go again.

HOBY

On June 5-8, 1987, I attended a youth leadership seminar entitled Hugh O'Brian Youth or HOBY. The basic program was one sophomore from each school in Arizona got together to learn about leadership. The theme was America's Incentive System.

The whole seminar took place at ASU and we lived in dorms for 3 days. We had various speakers talking about leadership who were usually interesting. I met a tremendous amount of great people, some whom I keep in touch with still. I also had fun and will hold great memories about HOBY. I encourage all sophomores to apply for it. You won't regret this experience!

This year's Business Law class, consisting of Juniors and Seniors, formed two Mock Trial teams and competed in a daylong tournament at the Phoenix Court Building. The idea of the trial was to let students understand the trial system and to get a better understanding of today's laws. It took long hard hours of practice both in school and out. The teams were coached by their moderator, Mr. Scarbourgh, and also an attorney. The big day of competition arrived and Gerard won a couple and lost a couple. The students gave it their best shot and found that the Mock Trial was very educational.

WE'RE WALKIN!!

Footsteps fell by the thousands as hot and tired students dragged their feet during this years' Walk-A-Thon. Teachers also participated in the event, donning tennis shoes and shorts and marching tiredly alongside the students, eagerly anticipating the end of the walk. It was all worth it, though, as the Walk-A-Thon raised over $10,000 for the school.

Some of the most amusing competition was the rivalry between the classes. Dares were passed about freely, the most notable of which was the promise that Ms. Nask made to Mr. Helsel. She said that, if her class lost, she would eat a piece of chalk. Ms. Nask's class was ahead for a time, but Mr. Helsels' class leaped ahead in grim determination, and won the competition. In front of the entire student body and faculty, Ms. Nask went through with he promise and did indeed eat a piece of chalk, followed by a rather large glass of water. The winners of event were Helsels' Hustlers, who succeeded in getting the highest amount of pledges in all the homerooms. As a result they won a trip to Disneyland.

Each class got to keep 25% of their earnings. The Senior class received $960, the Juniors $540, the Sophomores $760, and the Freshmen $1,000. Student Council kept $5,300 which went towards improving the school and the gym. Campus clubs received $1,300 to fund their activities.

The rest of the proceeds went to Camp Tepeyac (approximately $2,000 dollars). The proceeds will be used to help improve the camp facilities, notably to expand and improve the kitchen in the South lodge. Richard Moyer, the camp's director, stated, "I'm proud to accept the money, but far more proud of you (the students) and why it was raised."

All in all, the Walk-A-Thon was a tremendous success and it was great fun for all involved.

Students Slide the Slopes

Jack Yohler, Mike Yohler, Pat Ryan, Greg Geenen, Kelly Reuba, Brent Lyon, Brian Stoner, Ross Sewell, Adam New, Dave Karber, Elise Reznick, Bill Dowling, Randy Sejba, Barry Hurst, Julie Olinger, Andrea Zumsteg, Debbie Brownlie, Jeff Berta, Victoria Clark, Lariana Forsythe, Ann Bayer, Tabatha Cuellar, Kathy Slivinski, Tanya Turner, Marci Koepnick, and Tammy Langer.

The ski club this year, under the excellent leadership of the club president, Barry Hurst, took a very successful trip to eastern Arizona. One cool Saturday morning on January 2, the skiers met at school to board the bus that would take them to the fresh powder on the mountains of Apache Sunrise. With ski gear loaded up and enough provisions to last the day, students sluggishly boarded the bus as it was 4:00 am in the morning!! Nothing could stop the dedicated skiers. They took to the slopes and spent the day swishing through the rugged terrain (advanced skiers), taking skiing lessons (beginners), or clinging to the tow ropes on the bunny-hill all day (spineless jellyfish). Fun was had by all even though some were worse for the wear.

(left)- The boys fuel up for the day with milk. (below)- It was a rough (Ouch!) day in the snow.

SENIOR DINNER

The "Best" come together to dine!

This year the senior class voted for Macayo's to be the site of their senior dinner. This annual event was held during the last few days of school in order to give tho seniors and senior faculty members one last chance to come together, before graduation, to have a good time and enjoy each others company in a relaxed setting such as Macayo's. Everyone delighted in the deliciousness of the fajitas with their authentic south-of-the-border flare! Ole! Those who still had some room left after their tantalizing meal, indulged in the "two-thumbs up" fried ice-cream. All in all, the evening was one of fun that will be remembered by all. Organizers of the event were the senior class officers and senior advisor Mr. Scarborough.

PROM '88

A Silver Jubilee

PROM is a word that has a special meaning of its own. For many, it is the most special night of the year and one that will live forever in their memory. It is a time for looking fabulous and living it up. It is a night filled with song, dance and romance.

The 1988 Junior-Senior Prom was held at the Holiday Inn in Scottsdale on May 14. In honor of Gerard's 25th Anniversary, the theme was Silver Jubilee and the room was decorated in pink and silver. Couples crowded the dance floor, while others got their pictures taken, or simply just sat with friends and chatted.

It was a splendid Prom that provided fond memories for all. A night filled with fun that will be cherished forever.

(top)- Couples take turns showing off their moves. (above l.)- Seniors Kelly Reuba and Jim Duginski enjoy the evening. (above r.)- Students let it loose. (left)- Swaying to the music under the stars.

(left)- Megan Spiker leads her date, Glen Reiner, to the dance floor. (above)- Taking a break from the dance floor. (right)- Elise Reznick and Jeff Berta- a vision of elegance.

Bob Kennedy, worn out from all the excitement, rests with his date, Diane Jazwin.

(above)- Mike Yohler and Stacy Standage sashee down the isle with enthusiasm from the sidelines. (right)- Juniors debate over the mystery ingredients of the fabulous fruity punch.

The Start of a New Beginning

Sharing a few moments of graduation bliss. (r.)-The spirit of Gerard Catholic shines brightly on the Class of '88. (below r.)-Attempting to line up alphabetically. (below)-Student Body President, Elise Reznick, gives a moving address.

(far right)- The teachers rap, "Hey, they're great, the Redcoat class of '88!" (r.)- A farewell sign to the Seniors, but not without the irrigation of course!

Graduation is a very special time for the Seniors. It is filled with joy as well as sadness. Joy because of their great accomplishments gained through hard work and determination. They have become adults and it is now time for new hopes and new challenges. Sadness because it is the end of times, good and bad, spent with beloved friends and members of the Gerard family.

Graduation is a turning point in the Seniors' lives because it is the start of a new beginning. A beginning of growing and learning. The Catholic education they have received at Gerard will sustain them through the years and be most valuable in helping them attain success.

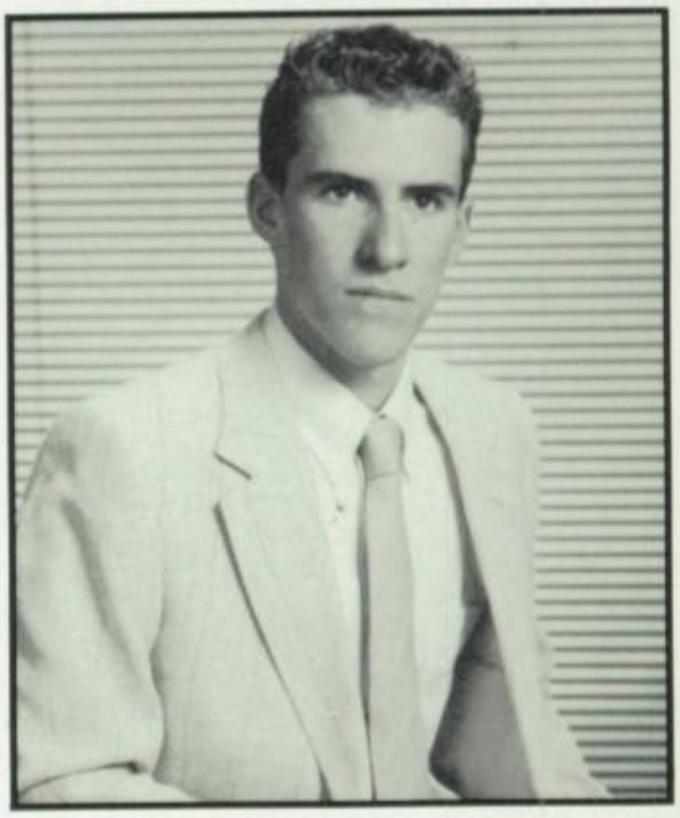
SENIOR SALUTE
Farewell Gerard
Thanks for the Memories
May the spirit of the school
live on.
Behold the Red & Gray
The mighty Redcoats.

The Redcoat Award winners.

Parting smiles.

(far l.)- Jenny Maney is presented with her Valedictorian medal and Tiffany Gulinson receives her Salutatorian medal. (left)- We made it!

Matt and Julie Olinger



There has been many a day and many a night

In which you, Julie and Matt, have brought great delight

Time has passed with its share of tears

But our memories of you two will last for years

As sorrows turn to joys and nights lead to days

Your lives now will bring new tomorrows and ways

Hold on to your dreams as you make this new start

And remember your home will always be in our heart.

\- Congratulations

When the above "THANKS, GERARD" tribute appeared in the 1980 yearbook, a talent went unrecognized:

One Gold Key Award

The recipient was Anne, class of 1970, the first of our six to graduate from Gerard. Married in 1975 to Bob Martin, and mother of three boys, Anne lives near Greeley, Colo., in the little country home of her dreams. She is surrounded by a major source of her art—people, pets, horses, rodeos, wildlife and sunset over the western mountains.

"Do Horses, Go To Heaven, Grandpa?", inspired from a photo of an old friend with their son, is typical of the detailed care she uses in portraying the moods of her creations.

A commission to do fifteen drawings for the Womens' Professional Rodeo Association's National Finalists' Awards was the first of her series of Rodeo action drawings. The University of Northern Colorado and the Greeley Artist have featured Western and Indian art by Anne. Copies of her work have been used to illustrate various events in Rodeo Programs, as well as other rodeo sport publications in several states. She has donated drawings for the use of the Cattlemen For Christ organization and her illustrations appear in the Fellowship of Christian Athletes' calendars.

Contact for art work by Anne can be made through her Phoenix family.

We are proud of you, Anne. Just wanted you to know that.

Love, Mom & Dad

HUGS

It's wondrous what a hug can do,
A hug can cheer you when you're blue.
A hug can say, "I love you so,"
or, "Gee! I hate to see you go."
A hug is, "Welcome back again."

A hug can soothe a small child's pain
and bring a rainbow after rain.
The hug! There's just no doubt about it,
we scarcely could survive without it.
A hug delights and warms and charms,
it must be why God gave us arms.
So stretch those arms without delay
and give someone a hug today.

Jimmy -
Hey Toots! How are you? I hope you're doing great! Well - you said not to write any mean stuff - so what else is there to say? A lot! You're the nicest and sweetest person I know! You better stay that way or I'll kick your butt at our 20 yr. reunion!! You've been a great friend and pal to me - Thanks for being there for me when I needed someone to talk to. You're a great football player and basketball player! I'm glad I went to camp over the summer - I really learned a lot - Too bad you and Steve couldn't beat me and Tammy - maybe in a couple of years you guys will be able to come close! Well I'll leave some room for someone else - not that anyone else would sign your book! But - stay great and keep playing ball. If you ever need someone I'll be here!! Good Luck!
Keep in touch toots! 482-5516 Love,
Kathy

El Guapo,
It's incredible isn't it? We've actually made it to our senior year. It's been forever since we were lowly frosh at Girard. We've been through a lot together. We even managed to survive playing B-ball for Coach Stone. (What a great experience that was.) This year is going to be great. We're going to dominate and surprise some teams in the state.
Good luck's next year. Have a great time where ever you go to college. I'll miss ya. Try to keep in touch. If nothing else I'll see ya at our class reunion.
your friend,
Kevin Clarson

Jimmy (Diego) T.,

It's been fun goin' to School & playin' ball the last 3 years, huh? I'll always remember Sophmore year playing for Coach Stuart (C-19) This year will be better, I honestly think we will take State! Keep your competitiveness & your Spirit of "hating to lose." Good luck in the future & maybe Some day we will argue a case in court against each other. Good luck in basketball too, you should make All-Conference & have a good shot of walking on in college. Later!

Jimmy,

Hey buddy, how's everything? So we're Big Seniors! I thought we'd never make it this far. I'm really glad that we got to be friends as freshman. I wish we would have stayed close as sophomores and juniors but I'm happy that we're good friends in our senior year.

I hope everything in your life goes the way you want it. I'm glad things are going good for you and Tina. I'm sure things are gonna work out good with you. I think you're good for each other. You were meant to be together. Good luck in everything you do! You deserve the best of everything! You're a really sweet guy and I'd hate to loose contact with you after we graduate. I'll miss you and think about you often so keep in touch! (947-1968)
